## CACC Members: You and Your Neighbors

**S**eptember kicks off the Clintonville Area Chamber of Commerce's 2000/2001 membership drive!

By renewing your membership, you open doors to community exposure, support, resources, and recognition, while investing in your business and community. When you join the Clintonville Chamber you become a vital part of one of the fastest growing, most aggressive and exciting Chambers of Commerce in the Central Ohio area.

Membership benefits include a free, members-only yellow pages listing in 17,000 copies of the much-used Clintonville Community Directory, monthly networking events, the newsletter, a new web site with links to your business, group insurance benefits, educational opportunities, and much more. The pie chart featured on the back page shows that nearly 50% of the

Chamber's budget for the year comes from membership dues.

This year the goal is to increase membership by 33%. A major part of the plan is the hosting of Business Block Parties in the neighborhoods of High St. and Indianola. In each area, Chamber member hosts will invite non-member businesses to attend. Board Members will be there too. If you are interested in helping with hosting, please call the Chamber office at 262-2790.

Look for your membership invoices by September 15th. Pay by October 15th and receive 10% off!

## Advertise in the 2001 Directory

Where's the best place to be seen in 17,000 places in Clintonville? As always-in the Clintonville Community Directory.

Your Chamber membership gives you a free listing in the **members-only yellow pages**. But your **ad in the yellow pages** helps you to reach the highest number of people in your Clintonville area target market. Your ad will be available daily to residents, businesses and organizations looking for information about professionals in our community.

The enclosed rate card and contract from Litho International contain all of the information you need to get started on your 2001 directory ad. For more information, call Leigh Griffin, President of Litho International, at 717-4988.

Ad tip for the day: Remember who your target market is, decide what you would like to convey to them about your company and choose the best way to go about doing it. Have a prosperous 2001!

## WOULD YOU LIKE LESS PAPER?

If you'd like to get your Chamber newsletter by email instead of by regular mail, please tell the Chamber office. Each month, we'll notify you by email when the latest newsletter is posted on the [www.clintonvillechamber.com](http://www.clintonvillechamber.com) web site. We will also be archiving old newsletters on the site.

## Free, No Cost, No Obligation Tour!

Now, you can take a tour on the new Clintonville chamber web site at [www.clintonvillechamber.com](http://www.clintonvillechamber.com)! Okay, so it's not some exotic place like Tahiti, but it won't take you long to get there. Your visit is important because our .com site is still under development. Visit and register your suggestions and tell us features you would like.

The Chamber's web strategy is simple. By reducing the hardcopy newsletter size, savings in production and mailing costs will pay the web development and maintenance expenses. The web site can also do a better job of providing in-depth reporting, such as "ask the experts" and background on a particular story.

We need your input. What features would you like? It's your page! So, get a cup of coffee, and after you've checked the markets, sports and the latest news, check out your new web site and let us know what you think — [www.clintonvillechamber.COM](http://www.clintonvillechamber.COM).

## October BAH at What-Used-To-Be Bob Keim

Do you want to see how an old car dealership has been miraculously transformed into a state-of-the-art office space? After a month of recruiting new members at the Business Block Parties, we are all invited to Chamber member, Red Roof (Accor Reservation Services), 5300 N. High St. for October's Business After Hours on Thursday, October 5th, 5:00 - 7:00 PM.

This will be a great chance to see Red Roof's new space, to meet all the new members and to get an extra chance to win with the CASHPOT. Every member is entered one time, but the more business cards you buy with a buck, the better your chance to win

and the more money you will be able to win! However, you must be present to win!

### UNCLAIMED FUNDS!

These Chamber Members' names were pulled, but were not PRESENT TO WIN:

- ◆ **David DiSabato**, Gold's Gym, would have won \$72 at the July BAH at Prudential
- ◆ **Doug Shroyer**, Kenwell Printers, would have won \$87 at the August BAH at Olentangy Village

The Cashpot grows each month. Your name is entered, but you must be PRESENT TO WIN at the next drawing at the BAH at Red Roof, October 5th, 5:00 - 7:00 PM.

## Two Down and One to Go!

The evening concert at the July 4th festivities in Clintonville completed 2/3rd's of the Chamber's *Celebrate Clintonville 2000* events. Thousands of families converged on the Park of Roses in the heart of Clintonville to enjoy a concert before the fireworks. The Street Players entertained with their brass/rock sound, conjuring up memories from high school days and creating new ones with today's favorites. The Chamber had excellent exposure in the community for both CACC and our sponsors.

With the Drifters concert in April and the Street Players on July 4th, Clintonville has one *Celebrate Clintonville* event remaining

— Home for the Holidays. As the Home for the Holidays campaign unfolds, featuring a passport to Clintonville businesses and a street white lighting campaign, your business will have opportunity to gain exposure. Right now, the Chamber is accepting advertisers to be featured in posters and a program that will get your name to thousands of Clintonville residents throughout the holiday season.

If you need information on how the local shoppers will be encouraged to think of your business this holiday season, please call Laura at the Chamber office or Bill Montgomery, WRFD Radio, at 885-0880.

## Home for the Holidays

During the Chamber's Business Block Parties, we'll ask businesses to participate in our "Light Up Clintonville" and "Passport" programs — part of the 1st annual Home for the Holidays, sponsored by the Clintonville Chamber and our Celebrate Clintonville advertisers. The passport will encourage residents and their children to visit stores for a "passport stamp." Passports with the most store stamps will be eligible

for a special drawing on December 23rd. Chamber members will receive discounts on both the passports and the lighting. Would you like to be a part of this great tradition? Call chair, Kate Logsdon, Fifth Third Bank at 263-5533.

## Will Your Business Make it in the 21st Century?

The Clintonville Area Chamber, and 14 other central Ohio suburban chambers are hosting Keith Woods, President and CEO of the Santa Rosa, CA Chamber, in a special breakfast

presentation, Tuesday, October 24th at The Lakes Golf & Country Club in Westerville.

Renowned speaker, Woods, will speak on what it will take for business to succeed in the upcoming years. Cost for the program, including an 8:30 AM continental breakfast, is \$15 per person and is due by Tuesday, October 17th. Call the Chamber at 262-2790 for more information.

## SEPTEMBER & OCTOBER LUNCHEONS

We know the benefits of being part of the Clintonville Chamber, but does your business neighbor?

The September Chamber Luncheon on September 19th at 11:15 AM at the Clintonville Women's Club, will be a special Member Drive luncheon with a very special announcement made by the Columbus Neighborhood Design Assistance Center and the city of Columbus. Call the Chamber at 262-2790 by September 14th to make your reservations.

And, mark your calendars for Tuesday, October 17th, when the luncheon speakers will be state representative candidates, Mark Hatch and Jim Hughes.

## OFEE COURSES

Our July luncheon speaker, Dr. Sandy Dickinson of the Ohio Foundation for Entrepreneurial Education, is providing a special course fee for Clintonville Chamber members. Call the Chamber at 262-2790, or log on to [www.OFEE.org](http://www.OFEE.org) for more information.
